5 Great Reasons to Become a Member

1. 24/7 Technical Support

Priority RV Road Care's Tech Advantage® is the only technical assistance program with RVIA/RVDA and ASE Certified Technicians on-staff to help you resolve common technical problems you may encounter with your RV.

2. RV Service Appointment Assistance

In unfamiliar territory, where do you go for service should the need arise? We'll notify the closest, qualified service facility, discuss your situation with the appropriate contacts and make your appointment.

3. Premier RV Service Network

Priority RV Road Care has the largest RV technical and emergency roadside assistance network in the United States and Canada, with more than 40,000 service providers and repair facilities to meet your needs. We follow up on the service provider's estimated time of arrival and rate service provider performance in order to deliver the best service experience possible.

4. Mobile Mechanic

In some situations, Priority RV Road Care will dispatch a mobile mechanic to attempt an on-site remedy. In this event, Priority RV Road Care will pay for the service call to send the mobile mechanic to you (on-site labor and parts extra).

5. All-Inclusive Travel Support

Every Priority RV Road Care membership includes concierge services. The type of benefits you receive depends on the membership level you choose. We're here for you. If you need it, we'll find it. Let us do all the work while you focus on enjoying your travels.
